

# Institutional Distinctiveness

## IMPARTING WHOLESOME LEARNING -- ACADMIC, SOCIAL AND LIFE SKILLS

Vision of the Institution is to providing students with a deeply transforming experience- intellectually, socially and personally-that will prepare them for a life of citizenship and leadership, and also to mould and empower students in the pursuit of knowledge, values and social responsibility and help them in achieving excellence in various fields, thereby also preparing them to face global challenges. The Institution as never faltered in inspiring the students in the pursuit of knowledge, values, and social responsibility. We at S. S. Jain Subodh College of Global Excellence has established its distinctive approach towards this comprehensive Vision by modeling it in the form of service to the society, by means of certificate courses or by allowing the students to organize events to develop their skills & knowledge, project based learning, Ethical and Human value development.

**(a) Skill & Knowledge Development:** The Institution arranges various skill enhancement programs to develop their skills & Knowledge such as:

- Workshops and seminars in different streams
- Guest lectures
- Inter college debate competition
- Young Spring- Inter college Model making competition
- AD-Mad & Business Quiz
- Personality enrichment, Language skill development etc.

**(b) Projects Based learning:** The Institute actively fosters active learning strategies for enhancing teaching-learning processes by equipping students with recent technologies/techniques, instilling sense of research in undergraduate students through project- based learning. The Institute also promotes interdisciplinary learning to enhance the knowledge base of students.

**(d) Ethical and Human value Development:** Ethical values is the foremost interest of the institution. Students are motivated to visit orphanages, old age homes, serve the local adopted school or village through NSS. Students have never been insensitive to the social crisis during the natural devastations. They were able to be restored to recreate their lives in a renewed mode. To achieve this following activities are done-

- **SUPPORTIVE PROGRAMES FOR THE GOVERNMENT SCHOOL**

In the series of upliftment and fulfillment of social responsibilities, the institution is inclined to the improvement of the facilities in the Government School, Saligrampura, which has been adopted by the college in 2015. In this session, in winter's food packets, sweaters and shoes were distributed to the students.

- **BLOOD DONATION CAMP**

Blood donation is a noble cause and the college provides a forum for it. Every year more than 100 units of blood are donated by our students and faculty members. The fifth blood donation camp was organized by college on December 10<sup>th</sup>, 2021 in collaboration with SDMH, Jaipur. Total 100 units of blood were donated by the students and faculty members in this session.

- **VACCINATION CAMP**

our college has successfully organised three vaccination camp in this session on December 18<sup>th</sup>, 2021(for above 18 year of age) and on January 8<sup>th</sup>, and February 7<sup>th</sup>, 2022 (for the age group of 15 to 18). In which college students, staff and family members participated and got immunization done. During this all protective measures related to Covid-19 were adopted.

- **SWACHHTA ABHIYAN**

The main purpose of conducting Swachhta Abhiyan Program every year is to spread awareness among the students regarding cleanliness and its benefits to promote social inclusion by improving sanitation especially in marginalized communities. The college has organized this day on October 27<sup>th</sup>, 2021.

- **PLANTATION PROGRAMME**

In this college there is a tradition of planting a tree by the faculty members on their birthdays, by guests on special occasions and by the students under NSS and Aanandam Schemes. The students participate enthusiastically in this activity and plant trees. They all pledge to plant more and more trees with time and to look after the plants.

- **AANANDAM SCHEME**

The Aanandam an act for community participation has been implemented as a compulsory subject in the UG courses, which aims to instill joy of giving and sharing in young people through community participation. Under this following activities are done by students-

- Mask and sanitizer distribution
- First aid kit distribution
- Plantation and nature conservation
- Cleanliness
- Awareness for education
- Health checkup in school etc.

The main focus of the institution is to render quality affordable education committed to the upliftment of the marginalized and also to make higher education inclusive. Our constant endeavor is to set a benchmark for excellence and make education a mission to support the multiple needs of the primary stakeholders. The wealth of a nation and sustainable development lies in the quality of education and sense of social responsibility imparted to the youth. The positive outcomes are achieved by designing the curriculum to meet the global requirements and through teaching-learning methods blended with ethical values. The structured induction of the student into the curriculum enables to visualize the career opportunities and the approach towards achieving them.
