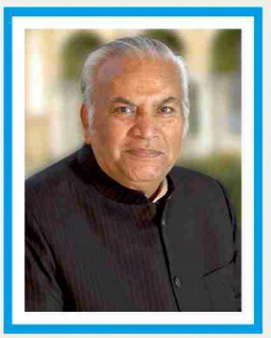
FROM THE MANAGEMENT DESK

MESSAGE

"Education is not preparation for life; education is life itself."



"Develop a passion for learning, If you do, you will never cease to grow."

I welcome you all to S.S Jain Subodh College of Global Excellence for the academic year 2022-23. As you embark on your journey into a new phase of life, ready to explore your world and eager to chart out new territories, a nurturing, learner-centric progressive environment awaits you here. The college provides you a space to give wings to your dreams, and a liberating outlet to your thoughts, in its pursuit for realizing the ideals of empowerment of young minds. College education has the most important role in the character-building of the students, as it is here that they imbibe the ideals of respect for elders, for our culture and tradition, and also discipline and punctuality and also, most importantly, human values. With the extremely strong mentoring of our highly motivated teaching faculty and the backing of efficient support staff, we envisage that each of our students carves out a unique niche for herself in their chosen fields of interest. In so doing, they strive towards achieving ever higher standards of excellence not just in individual ventures, but also as change agents who work relentlessly for a better society.

Along with arduous academic and intellectual training, the college also provides co-curricular and cultural activities for the students. Our students have been in the University ranks, besides continuously participating in various cultural activities, sports and social aids.
We believe that each and every student has a gift to share and we work hard to unlock their highest potential. We aim to create a safe, nurturing yet challenging environment that is built on values, culture and positive relationships which will lead to emotional, social and academic development of the student.

I am sure our students will always strive to uphold the dignity of our college and keep its flag flying high.
My best wishes and warm greetings to all the students who join this college. I wish you all success and a great future ahead.

(Navratan Kothari)
President
S.S. Jain Subodh Shiksha Samiti

S.S. Jain Subodh College of Global Excellence, the 19th institute of Subodh Shiksha Samiti is a premier institution with its distinct ideology. We believe in imparting quality education based on ethics with an objective of making quality education accessible to the students coming from different regions and different strata of the society and to provide the same to them as per their choices and inclination at affordable prices.

We understand that education is not just a process of giving knowledge for a high profiled job but a lifelong process which creates an understanding of moral and ethical values to guide and make our students morally upright citizens of the country. Therefore, we try to create an atmosphere of reverence for education and a healthy environment where academics, sports and co-curricular facilities mould our students and motivate them to be the brightest and the best. To achieve this goal, the college works towards inculcating certain values in the students in order to enrich their mind and spirit and also to develop essential moral in them. The students are taught to study in an atmosphere of love and unity where each student sees himself or herself as a member of one global family, free from the prejudices of ethnicities, nationalities, and class and religion dogmas.

Our constant effort is to create an ambience in the campus favourable for learning by providing time bound course completion with the help of enriched infrastructural facilities such as well-equipped laboratories, a rich library, well-maintained playgrounds, and smart class facility. An important component of academic excellence is remarkable faculty who teach with skill and passion. I am sure that your search for knowledge will definitely find its quench here and you will enjoy your stay here.

I am happy to say that, within very short span of time, this college has established its academic reputation not only locally but also out of the state. This is proved from the evidence that we get local students and also from the other states of India as well. In an era of firm competition, success can only be achieved if one makes the right kind of effort at the right time. Your effort in choosing S.S. Jain Subodh College of Global Excellence as your Alma mater would be your best choice and I am pleased to welcome you. I wish, you will be one of those fortunate students, who will get admission to our college. I assure you that your life in the college will be richly rewarding, academically and otherwise also. I extend my best wishes to you all for a successful future endeavor.

FROM THE MANAGEMENT DESK

"When educating the minds of youth we must not forget to educate their heart"

Dear students, I welcome you on behalf of the S. S. Jain Subodh College of Global Excellence and thank you for showing your interest in us. Education drives away ignorance and through illumination it emboldens a person to a righteous thought and action. It empowers one with knowledge and enlarges the horizon of one's mind. It energizes a society and enables a person to earn his living with respect and praise.

For years we have been educating young men and women and transforming them into responsible citizens and leaders of corporate. By joining our college, you are embarking on an education system that is meant to be transformative – academically, socially, and personally. "Excellence and Values" are our guiding principles which are reflected in every activity of the institute. Our handbook clarifies those values and standards and we expect you to honour them in your conduct as a student in the college. Our mission is to provide a secure, healthy and learning environment in which every student will acquire the skills, knowledge and abilities necessary to become productive, accomplished, and competitive members of the ever-changing, global community.

We understand the importance of student's involvement in their college activities for greater academic achievement. Our college offers a number of opportunities for students to get involved outside the classroom through extracurricular activities, sports, and community services. We would expect that you venture beyond your "comfort zones" both inside and outside the classroom. Take maximum advantage of these facilities, participate fully and evolve into a brand yourself. Our faculty is a very dedicated group of innovators who continue to focus on providing the best possible guidance to our students. We believe that students and teachers together have the potential to shape and create a better society and we have a symbiotic relation with our students for moving in this direction. I assure you that after joining the college, each one of you will become an inseparable part of exuberant teaching-learning spirit of the institution, enriching it and getting enriched in the process. I am sure that we shall not rest with the glories attained in the past but shall continuously seek to redefine ourselves in the light of changing environment around us. Once again, welcome to the Subodh family and welcome to our community of shared principles and values. Wish you happy, healthy, and fruitful years ahead.

Looking forward to welcome you to the Institute.

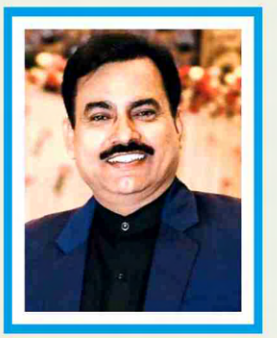
FROM THE PRINCIPAL'S DESK

"The function of Education is to teach one to think intensively and to think critically. Intelligence plus Character - that is the goal of True Education."



I welcome you all to S.S.Jain Subodh College of Global Excellence.

In today's world, globalization is rapidly increasing, bringing with it expanded personal mobility; access to knowledge across borders; increased demand for higher education, growing worldwide investment; and increased needs for continuing education. The twenty-first century undoubtedly belongs to the men and women of strength and excellence in professional fields. At the College, we pride ourselves on the balance that we achieve for each individual student as we promote academic excellence and development of the person, all in an established, friendly and supportive environment. Our students tell us that they enjoy their education and this is reflected in their positive attitude to learning. They tend to be confident, friendly, well-motivated and lively in their outlook and approach to all that they do. They learn to challenge in a positive and constructive manner, but more importantly, they learn to ask the questions that will develop them as citizens of a global community. Each and every individual is encouraged and guided to reach the very highest standard by teachers who are dedicated to bringing out the very best in them.

Our academic achievement is excellent when judged and continues to improve year after year. Our emphasis is on the quality of learning, supported by high quality teaching, and we are committed to reviewing our progress and striving to improve as a College even further. The highly qualified and dedicated members of staff have always stood shoulder to shoulder with the management and have carried out their duties with a level of commitment. I am proud of being the Principal of such a wonderful institution dedicated to the cause of better India. Come on dear students, let's give our best and make this institution a modern temple of learning through our diligence, devotion and dedication. Wishing you all the best...!

About 500 plants belonging to different species are maintained here. The campus is designed with several initiatives for reducing energy consumption and utilizing renewable natural resources such as solar panels, drip irrigation, sprinklers etc. The college is aware and committed to the environmental issues with regard to protection, conservation and sustenance of natural resources.

"The whole purpose of education is to turn mirrors into windows."

THE ADMINISTRATION BLOCK

RECEPTION

A very imposing reception area is the foremost place for sorting out all kinds of enquiries of students and parents, guardians, dignitaries and others. The college staff is available to resolve all the queries regarding counseling, admission procedure and other college related matters during working hours of the college. Counselors and the faculty members guide the students as per their needs, interest and capability.

THE ADMISSION CELL

A pre-admission counseling cell is set-up to answer queries and provide general admission guidelines to admission seekers. The members of admission counseling cell are available on working days between 9:00 am - 3:00 pm. The faculties of concerned subjects are acting members of the admission committee, to take care of admission and career related queries bubbling within the new students and their parents.

ADMINISTRATION OFFICE

The well-furnished administration office run by qualified and dedicated staff is the core center to streamline and systemize the functioning of the college. This also serves as the students' information center.

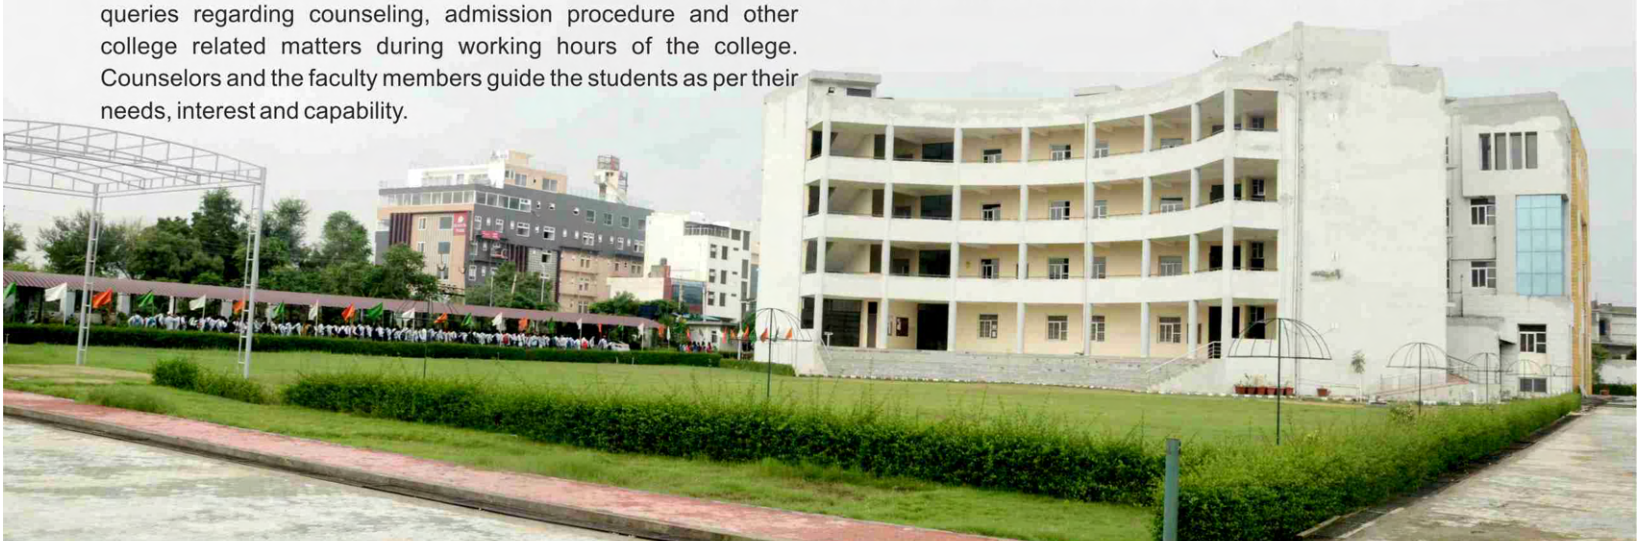
"The most valuable resource that all teachers have is each other. Without collaboration our growth is limited to our own perspectives"

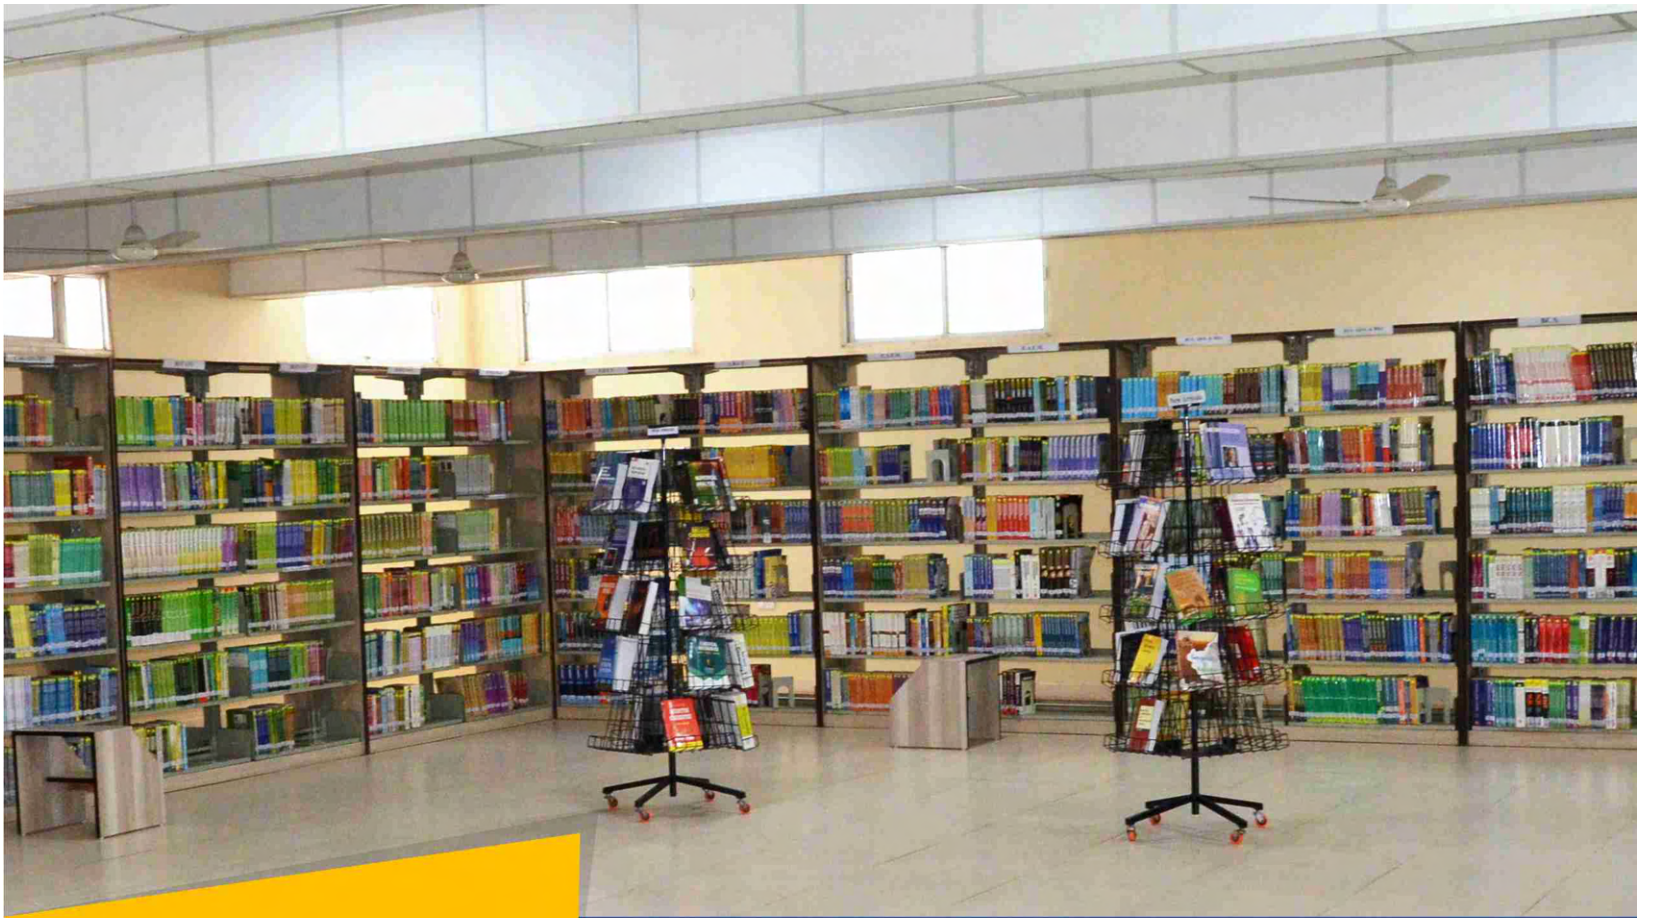
THE STAFF ROOM

Staff rooms are meant to build up a friendly, professional and efficient ambience. Our staff room is perfect to create such environment. It is very spacious and properly ventilated with various facilities, like computer system, Wi-Fi etc. Each teacher is given a personal space to keep their reference books, teaching and learning materials. They are also given a locker to keep their personal and important stuff. The teachers work together to build better learning environment for students.

THE EXAMINATION CELL

There is a separate examination cell, headed by the examination controller, which is involved in various examination related activities like, conducting main University examinations of all regular and Non Collegiate students courses as per the schedule for each academic session, conducting Pre University Examinations in each session, conducting University Practical Examinations, organizing and conducting viva-voce examinations for students of BBA/ BCA and coordinating with all faculty members to ensure credibility and stability of the examination system.





THE ACADEMIC BLOCK

Academic place is the centre of learning and knowledge sharing between students and teachers. The Institute has a separate academic block with 26 large class rooms, 13 laboratories, one air-conditioned lecture hall of seating capacity 200, two smart class rooms and the faculty rooms. The walls of the academic block are adorned with many motivational quotations and the ambience created is very inspirational.

The college has highly qualified, experienced, dedicated and professional faculty members. This block is actively engaged in organizing up to the mark study program, guest lectures, seminars and faculty development programs as per the needs of students and faculty members.

The Academic block houses the following infrastructure:

THE LIBRARY

"The library is the temple of learning, and learning has liberated more people than all the wars in history."

The Learning Centre, the library, is core to each student's academic progress. It was established in 2015 since the beginning of the college itself. It has a seating capacity for 100 students at a time. Over the years, the library has enriched with carefully chosen books for the use of the staff and the students. At present, the library has over 5000 books and bound volumes of journals covering a wide variety of subjects. It also receives over 30 current journals on various subjects. In addition, students have access to periodicals, reference books, journals and competitive magazines etc. The library has been constantly acquiring, organizing and processing conventional as well as electronic learning resources for the student community.

CLASSIFICATION & CATALOGUING:

"The only thing that you absolutely have to know is the location of the library."

The College library uses Dewey Decimal Classification Scheme for classifying the books. Classified Catalogue Code is used to prepare the catalogue entries in the library software.

Use of software for library automation:

Easylib – An entire automation system for libraries:

As the name indicates, it is a comprehensive automation system for libraries. Library is fully automated using this commercial software. Bar-coding is used for book circulation.

Reference Service:

A well furnished reference section is maintained in the library where staff and students can pick the book of their choice and make reference. Important textbooks, Encyclopedias, Dictionaries, Reference Books, Multiple volume sets, Dissertations and Question paper sets etc. are displayed in this section.

SEMINAR HALL/ AUDITORIUM

The college campus has two hi–tech and well–lit seminar halls with luxurious seating capacity of 400 each. The purpose of auditoriums is to enhance the quality of education. Depending on the nature of activity, students make use of both. The auditorium offers facilities such as white board, LCD projector and high quality sound system. One of them is fully air-conditioned. Auditoriums are regular venues for exhibitions, workshops, seminars, presentations and various cultural activities. It also provides ample opportunity for our staff and students to exhibit their talent in various activities.

CLASS ROOMS & TUTORIAL ROOMS

The Academic block houses thirty spacious and fully lightened classrooms. It includes two well laid-out lecture theaters with seating capacity of 100 students each, twenty four lecture rooms having capacity of 60-70 students and four tutorial rooms with a capacity of 30 students each to make students proactive while learning.

SMART CLASSROOMS

College is equipped with smart classrooms. It is rapidly transforming the way teachers teach and students learn with innovative and meaningful use of technology. Students can learn difficult concepts by watching highly engaging visuals and animations. This makes learning an enjoyable experience for students while improving their overall academic performance.

The Global Library - for the Students by the Students

Self study is the best way of imbibing self-discipline and self-management among an individual. Based on this concept, a special library, the Global Library "for the students by the students" was established. This small library is enriched with books on various subjects which are donated by the faculty members from time to time. It has a well planned infrastructure too for reading and seating. The specialty of this library is that this is for the students and being run by the students themselves. A few volunteer students run this small library and manage the accounting themselves. The students spend their time here and interact with each other and discuss their study materials as well.

OUTDOOR SPORTS GROUND

"Life is like sports, - you win some, you lose some. But what is important is your attitude when you lose- how fast you get back up and start again"

College believes that sports and games curriculum is an integral and compulsory part of the education process. Sports facilities provide the students a platform to enhance their concentration level and to keep them physically and mentally fit. The college has a large lush green playground with facilities for various games like Tennis, Volley-ball, Football, Badminton, Hockey etc in the campus. The college conducts annual sports meet and encourages students to participate in the inter college events. Our college volleyball team played in various state level championships. In addition to team games, individuals have excelled at college and university level.

Parking Area

Ample Parking facility for both faculties and students is available.

More than 300 vehicles can be parked at a time. For the security of the vehicles 24 hours CCTV Cameras are installed. About 2 to 3 Guards are always on duty for the security of the vehicles.

COMMON ROOM

"The best intelligence test is what we do with our leisure."

The institute provides a facility of separate common rooms for boys and girls. The common rooms serve as a center of recreational activities for the students as they indulge in discussions on various topics related to their interest area. The common room has magazines, newspapers etc. The students refresh themselves and utilize their leisure period in fruitful activities viz. subject related discussions, sharing their views and knowledge, planning of extracurricular activities etc. Both common rooms are governed and guided by the discipline committee under the Head of the Institute.

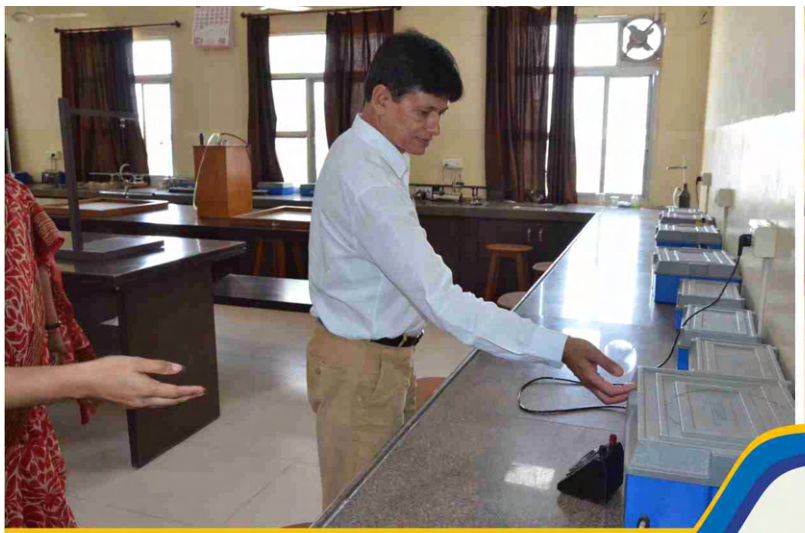
GYMNASIUM

"Time and health are two precious assets that we don't recognize and appreciate until they have been depleted"

The gym has opened up a new era in the field of health and fitness. The college provides gymnasium with the latest fitness equipments and an exercise room where health education is provided to the students. The gymnasium is equipped with cardio and body building machines like fully automatic treadmill, Cross runner, electronic cycle, dumb-bells and rods, triceps bars, multi functional benches etc.

INDOOR GAMES

The indoor stadium of the college provides A-class indoor games facilities where students can play and enjoy games like Badminton, Table Tennis, Carom and Chess etc. The college students avail and enjoy various games facilities after their classes which create a perfect atmosphere for all round development of the students.



AMENITIES

LABORATORIES

The way you can't learn to ride a bike by reading its manual, a professional is not completely ready without proper application of knowledge. Practical experiments and workshops are just as important as theoretical study; therefore we make sure that we provide our students with the best infrastructure and state-of-the-art laboratories that are well-stocked and equipped with the latest technology, to offer the most apt environment for learning.

A laboratory is a facility that provides our students to perform experiments in controlled conditions to understand technological research, experiments, and measurement. It helps students to remember the concepts better and transfer the learning to practical experience. S.S. Jain Subodh College of Global Excellence has well equipped labs with entirely advanced instruments of all science subjects (Botany, Chemistry, Physics, Geography, and Zoology) to meet the expectations of students and as per the curriculum of University of Rajasthan.

Laboratory teaching gives practical experiences which enhances factual understanding of the students. Laboratory training is also frequently used to develop skills necessary for more advanced study or research. The state of the art laboratories provide space for students, promote collaboration across disciplines & promise creative learning opportunities.

The students are guided by devoted and expert faculties of the department to perform experiments, measure data and analyze results so as to match their practical observations with theoretical knowledge. The college also maintains a well developed botanical garden to cater to the needs of students of Botany.

PHYSICS LAB

"The fundamental concept in social science is Power, in the same sense in which Energy is the fundamental concept in physics."

- The department has three well established laboratories having capacity of conducting practical for 30 students at a time in each lab. The labs are well furnished with ample space for students to work freely.
- The physics lab is aimed at training students in assembling and operating apparatus, taking and interpreting data and presenting the results of an experiment in a written report.
- The laboratories are well equipped with a large number of instruments like, GMC (Geiger Muller Counter), Grating, Four Probe, LCR circuit, RC Transmission Line, Solar cell, Electronic Balance, Newton's Ring Apparatus, Carry Foster Bridge, Random Decay Apparatus, Rectifier, Filter circuits, Fresnel Bi-prism, Operation Amplifier, Black Body Radiation, Stefan's Constant, Compound Pendulum, Conversion of Galvanometer to Ammeter and Galvanometer to Voltmeter, Converter Analog to Digital and Digital to Analog Converter etc.

CHEMISTRY LAB

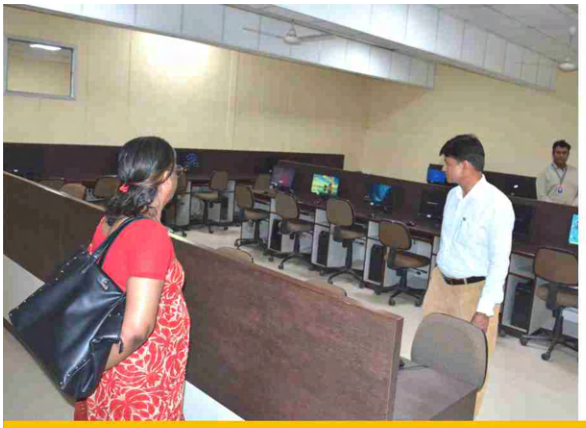
"Chemistry is necessarily an experimental science: its conclusions are drawn from data, and its principles supported by evidence from facts."

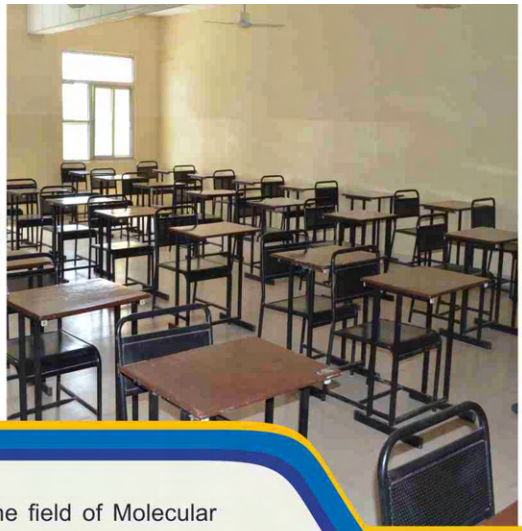
- The department has three spaciously built laboratories that can accommodate 30 students at the time of practical class.
- The laboratory is well stocked with sufficient chemicals so that every student gets the opportunity to carry out the experiments. It is executed by devoted and expert faculties of the department. The department has strengthened the laboratory infrastructure facilities by incorporating modern practical techniques like Spectrophotometer, TDS meter, Vacuum pump, Digital centrifuge, Digital balance, pH Meter, Double Distillation unit, Magnetic Stirrer, Heating Mantle and Digital Potentiometer etc. to enhance the experimental skills of the students.
- Moreover, the safety of every student while handling the chemicals and instruments is duly taken care of.

ZOOLOGY LAB

"A theology which is not based on revelation as a given reality but treats God as an idea would be as mad as a zoology which is no longer sure of the physical, tangible existence of animals."

- The department has two spacious and well equipped laboratories with capacity of 30 students each to conduct practical classes.
- All the laboratories have necessary infrastructure and





equipment to conduct practical classes in the field of Molecular Biology, Biotechnology, and Ecology etc. prescribed as per syllabus.

- The laboratory is equipped with diverse apparatus like Hot Air Oven, High Speed Centrifuge, Digital Balance, pH Meter, Binocular Microscope, Simple and Compound Microscope, Distillation Unit, Autoclave, Hot Plate, Water Bath, Colony Counter, Refrigerator, Heating Mantle, Microscopic Slides, Biological Charts and Posters.
- In the laboratory there is a large museum with well stocked syllabi wise specimens.

BOTANY LAB

"Working with plants will teach you all other social commitments in a soothing way..."

- The department has two well established, well-equipped, spacious, well ventilated laboratories having capacity of conducting practical tasks of 30 students at a time.
- The laboratory gives the facility to the students to be acquainted with various equipments like Spectrophotometer, Digital Balance, Centrifuge, Autoclave, Laminar Air Flow, Microtome, Ganong's potometer, Farmers Potometer, Ganong's Respirometer, Digital pH Meter, Hot Plate, Digital Balance, Incubator, Auxanometer, Binocular Microscope, Simple and Compound Microscope, Microscopic Slides, Biological Charts and Posters. In addition to these, there is a large museum well stocked with syllabus wise specimens.

COMPUTER LAB

"Computers themselves, and software yet to be developed, will revolutionize the way we learn."

The department maintains two Hi-tech, LAN connected centralized server system computer laboratories with LCD projector, Wi-Fi facility and seating capacity of 100 students. Students receive personal assistance and help with campus logins, basic computer questions and locating information from supporting and knowledgeable staff members. The computers in these labs are equipped with the Microsoft Office applications and other software as per the requirement of students. The Personal Computers of the lab are updated with the syllabus wise software helpful for BCA students and impart elementary knowledge to other students.

BOTANICAL GARDEN

"The glory of gardening, hands in the dirt, head in the sun, heart with nature. To nurture a garden is to feed not just the body, but the soul"

The college has its own botanical garden. The aim of establishing a botanical garden is to educate our students regarding collection, cultivation and conservation of plants. Our garden includes a greenhouse, shade house and collection of medicinal plants like Tinospora cordifolia, Aloevera, Withania somnifera, ornamental plants like Dahlia, Ixora and several other plants. A beautiful and artificial pond alleviates the garden, which not only enhances the beauty of nature but also provides aquatic study material for students of bio stream. It also includes some more plants like –Hydrophytes: Hydrilla, Eichornia, and Nelumbo; Xerophytes: Cactus, Agave, Euphorbia, Acacia etc.

GEOGRAPHY LAB

"Everywhere's been where it is ever since it was first put there. It's called geography."

The Department of Geography has maintained a well equipped lab which constitutes all kinds of maps, charts, latest instruments known and required to impart knowledge in geography. The students either individually or in groups make use of the material for solving problems in geography. The data collected in the field or from the statistical reports are transformed into maps and diagrams in the laboratory.

"It isn't where you came from. It's where you're going that counts."

COURSES OFFERED

POST GRADUATE COURSES

The course content is designed to build on the knowledge obtained at undergraduate degree level. The post graduate courses comprise two academic sessions. The medium of instruction is available both in English and Hindi. The syllabus for the courses is as prescribed by the University of Rajasthan.

M.Sc. PREV. (CHEMISTRY)

The Masters Programme offers an exciting range of educational opportunities, with strengths in both the fundamental area of the discipline, and in significant new areas and applications. Graduate-level coursework and research opportunities are available in physical, organic, inorganic, and analytical chemistry as well as in a substantial number of cross-disciplinary and interdisciplinary areas such as material sciences, surface science, spectroscopy, magneto-chemistry, and biological chemistry. Moreover, the department has an excellent array of equipment for research/ project works. This would enable the students to face, with confidence, all competitive exams e.g. CSIR, GATE, etc. Besides association with both UG & PG teaching, the faculty members have produced outstanding research publications.

MASTER OF SCIENCE (M.Sc.) CHEMISTRY ELIGIBILITY FOR ADMISSION

- Minimum 55% marks in B.Sc. or 55% marks in Chemistry.

DURATION: TWO YEARS; ANNUAL SCHEME FEE STRUCTURE

- M.Sc. (Prev.) Rs. 24000

NAME OF PAPERS

- Paper – I : Inorganic Chemistry
- Paper – II : Organic Chemistry
- Paper – III : Physical Chemistry
- Paper – IV : Spectroscopy and Diffraction Methods
- Paper- V : Green and Sustainable Chemistry
- Paper-VI : Analytical Techniques

"Science is the great antidote to the poison of enthusiasm and superstition."

M.Sc. PREV. (PHYSICS)

This prestigious programme is attuned for graduates. Our mission is to champion fundamental and applied science, help students explore and connect physics with the world around them, and enable them to stay connected with science through research, academia or industry. We have forged strong partnerships with renowned centers of research excellence so that our students can work with scientists of repute and gain hands-on experience of the most advanced experimental techniques and the most sophisticated theoretical and experimental methods. Students can explore the vast expanse and depth of physics with our course that encompasses Quantum Mechanics, Atmospheric physics, Condensed Matter, Nano Science and Technology, Material Sciences, Nuclear Physics, Electronics and Theoretical Physics and much more.

The college organized a beautiful evening of talk of renowned and intellectual personalities from different regions of the country in ''कैवल्य-दर्शन, साहित्य, संगीत'' on May 22, 2022 in association with **Thaar, Mahi Sandesh and Shalon Foundation.** The main speakers were from multidisciplinary fields like philosophy, literature, Music, Drama, Painting etc. Many renowned IAS and RAS officers like Shree Suresh Chand, Dr. Sudhir Soni and many others from the education field graced this occasion with sharing their knowledge about the liberation, absolute oneness.

WOMEN'S DAY

"We need to live in a culture that values and respects and looks up to and idolizes women as much as men."

On March 8, 2022, the students of the college celebrated the women's day with a short cultural program, in which chief guests were all the female faculty members. One of the female faculty members were made one day Principal by the actual college principal, who looked after the college on this day.

ANNUAL SPORTS DAY

"The will to win is important, but the will to prepare is vital."

On the 23rd and 24th of December 2021 the 7th Sports Meet was held at the college. Students participated in various events with great zeal, passion, and commitment. Sports meet is one of the yearly events that give an opportunity to the whole college to come together. Apart from commemorating victories, sports meets also aim at imparting lessons on camaraderie to students. Competitions in various indoor games like carom, chess, badminton and table tennis and outdoor games viz, volley- ball, kabbadi, three leg race, lemon spoon race, javelin throw, cycling etc. were organized under the supervision of duly allotted faculty members. The students actively participated in these events with full sportsman spirit.

DEEPOTSAV

"The more difficult the victory, the greater the happiness in winning."

Deepotsav 2021 was celebrated on October 28th, 2021 in which many students participated in the cultural and extracurricular activities of their interest. This event provides a sound platform to the talented students to bring out their hidden aptitude, in form of intra college competitions like, Maandna (rangoli making compepition), Geet Gunjan (singing competition), Rang Birangi (Face Painting Competition), Shilp Rang (Best out of waste), Jhankar Beats (Dance competition) and Abhivyakti (skit / nukkad natak competition).

BASANT PANCHMI PUJAN

"When you find a dream inside your heart, don't ever let it go, for dreams are the tiny seeds, from which beautiful tomorrows grow."

"Basant Panchmi" is the festival full of joy and an endless blessing, marks the onset of spring season and is also celebrated to worship Saraswati, the goddess of knowledge and wisdom. We celebrated this day on February 5th, 2022 in our college; yellow colour is given importance on Basant Panchmi. The dress code for teachers on that day was also yellow and all offered yellow coloured flowers to goddess. All the staff members and students assembled together and attained the blessings from goddess. The pooja started with saraswati vandana followed by Hawan and after that Prasad was distributed. The whole campus enjoyed the day enlightened by the blessings of Maa Saraswati.

DANDIYA NIGHT

"Those who don't follow in, stand alone began to grin, dancing is not a sin, join the fun, c'mon let's spin."

On 13th October 2021, Dandiya Night was held on the campus. The celebrations marked for the festive spirit of Durga Puja and Navrati. Starting with seeking blessings, there was a puja followed with a Dandiya theme party. The whole atmosphere of lights and the folk music brought the night alive with everybody dressed in colourful ethnic. Students from different states on the campus got a taste of traditional Gujarati culture. It was a fine opportunity for the students to get acquainted with the other students and the faculty outside the classroom in the time of festivity, dance and fun. The night concluded with the dance party, the best dance performer and best costume were awarded.

AD- MAD SHOW & BUSINESS QUIZ

"Creativity is intelligence having fun."

Ad-Mad and Business-Quiz Competition was organized on December 4, 2021 by the faculty of Commerce for the students of all streams to give students a platform to showcase their creativity, innovation and to keep them updated with the current business news. These events have helped students to go beyond textual knowledge and establish a relationship between theory and application of the learnt concepts. The objective of AD-MAD competition is to acquaint the students about promotional

strategies in marketing through advertisements. It comprises of humorous & conceptual ad presentation by the students which helps the students to enhance their skills in expression, voice modulation and dialogue delivery. The students participated with a lot of enthusiasm. Each team presented a unique piece of performance and the winners were awarded with attractive Prizes. Participation Certificates were presented to all participating teams. An exciting business quiz competition was also conducted in 5 rounds in an interactive way. The purpose of this quiz contest is to test the knowledge of the participants beyond academics.

FAREWELL FESTA-2022

On March 16, 2022, the college bid adieu to the final year students of the session 21-22. The festa was celebrated with a marvelous cultural evening with dance, singing and skit performances by the students. The Ramp walk Show by the final year students was the attraction of the eve through which Mr and Ms Farewell were selected by the invited judges from JECRC Mass Communication Department. The festa eve ended with grand dinner to all the participants and college staff.

"BE SO GOOD THEY CAN'T IGNORE YOU."

SOCIAL AWARENESS ACTIVITIES

"One person can make a difference and everyone should try."

Social awareness activities are an interactive platform for the students as well as for the faculty members to be aware of their responsibilities towards society. Various social activities like Play and Nukkad Natak or Skits on social issues like, water conservation, human rights, traffic rules and girl education, etc. are presented at many govt. schools, colleges and villages, throughout the session. We also encourage such initiatives and are earnestly involved in the accomplishment of our social concerns.

In this session, many students actively participated in various kinds of social awareness activities like, plantation, giving first aid facilities in primary schools and to poor people, cleanliness in villages and parks, Yoga training to people under the Aanandam Scheme following all the safety rules of Covid 19.

FOR THE GOVERNMENT SCHOOL

"The best way to multiply your happiness is to share it with others."

In the series of upliftment and fulfillment of social responsibilities, the institution is inclined to the improvement of the facilities in the Government School, Saligrampura, which has been adopted by the college in 2015. In this context various amenities and facilities are provided to the school and its students, like the electricity connection has been made available and ceiling fans were installed in the class rooms of the school for the children. In this session, in winter's, food packets, sweaters and shoes were distributed to the students by the Principal, college students and faculty members with lots of happiness around.

BLOOD DONATION CAMP

"Donate your Blood for a reason, let the reason to be life."

Blood donation is a noble cause and the college provides a forum for it. Every year more than 100 units of blood are donated by our students and faculty members. Blood donation is literally life-saving, which helps people and is also a sign of humanity that unites people irrespective of caste, creed, religion and more. To have the ability and willingness to give something to other is the greatest asset of mankind, in the light of this thought the fifth blood donation camp was organized by college on December 10th, 2021 in collaboration with SDMH, Jaipur. Total 100 units of blood were donated by the students and faculty members in this session. All the donors were rewarded with a humble gesture of appreciation.

PLANTATION PROGRAMME

"Someone is sitting in the shade today because someone planted a tree a long time ago."

When we plant a tree, we don't just plant a sapling but a hope. Importance of tree plantation has been stressed upon time and again. The need for tree plantation has become even greater these days because of the growing pollution in the environment. Tree plantation involves transplanting tree seedlings to grow forests and spread greenery around. It has to be a combined mission of all mankind to plant more and more trees in order to save our ailing planet.

In this college there is a tradition of planting a tree by the faculty members on their birthdays, by guests on special occasions and by the students under NSS and Aanandam Schemes. The students participate enthusiastically in this activity and plant trees. They all pledge to plant more and more trees with time and to look after the plants.

SWACHHATA ABHIYAN

"Cleanliness may be defined to be the emblem of purity of mind."

The main purpose of conducting Swachhta Abhiyan Program every year is to spread awareness among the students regarding cleanliness and its benefits to promote social inclusion by improving sanitation especially in marginalized communities. The college organized this day on October 27th, 2021. The day start with morning assembly including Morning Prayer and inspirational note by the Principal. The students, teachers along with the Principal Sir undertook the task to clean the whole college building including class rooms, corridors, and playgrounds. The fourth grade staffs are made ambassadors of the day and students and the college management presented them with clothing as a token of appreciation for their services.

AANANDAM DAY

"Small change can make a big difference."

The Aanandam an act for community participation has been implemented as a compulsory subject in the UG courses from the session 2020-21, that aims to instill joy of giving and sharing in young people through community participation. All the First year and Second year students of all streams enthusiastically participated in this programme and this program was run successfully in the college as per guidelines of the UOR.

The Aanandam Day was celebrated on November 15th, 2021 wherein a lecture by Dr Shivraj Sharma, M.D., Respiratory Medicine was delivered for the students on Diabetes.

VACCINATION CAMP

"The secret of crisis management is not good vs. bad, it's preventing the bad from getting worse."

If we want to defeat corona, then it is necessary to get ourselves and our family vaccinated, vaccine is your protective shield to fight the corona pandemic. By developing a collective immunity by getting more and more vaccinations, we will be able to save the society from the approaching danger of corona in future. With this view our college has successfully organised three vaccination camps in this session on December 18th, 2021(for above 18 year of age), on January 8th and February 7th, 2022 (for the age group of 15 to 18).

College students, staff and their family members participated and got immunization done. During this all protective measures related to Covid-19 were adopted.

RECREATIONAL VISIT

"Fill your life with experiences, not things. Have stories to tell, not stuff to show."

Recreation is about personal growth and self-expression, providing increased learning opportunities and satisfying needs not met in people's non leisure time. The college offers the best opportunities to its students not only indoor but healthy outdoor activities as well. A recreational cum educational one day tour is the part of session's academic schedule for students and staff members. In this session on February 4th, 2022 a one day tour was organized to Kanota Camp Resort .This day was a fun day full of games, adventure, fun activities, swimming and many other activities.

"Discipline is just choosing between what you want now and what you want most."

CELLS AND COUNCILS

PLACEMENT CELL / CAREER COUNSELLING CELL

"Doing the best at this moment puts you in the best place for the next moment."

The Placement and Career Counseling Cell at S.S Jain Subodh College of Global Excellence is dedicated towards giving its students opportunities to build their career before they cross the threshold of the college. The objective of the Cell is to provide employment opportunities and professional training to the students. Our counselors are available on all working days for helping the students. The college organizes regular counseling camps by subject experts, in order to help the students to efficiently deal with their problems, to polish their professional skills and equip them for their future endeavours. Placement Cell provides assistance to students and ability to think out of the box as it conducts Webinars, Seminars, Workshops, Personality Development Programs, etc. and the students get ample opportunities to closely interact with professionals from different industries.

ENVIRONMENT CLUB

"A nation that destroys its soils destroys itself. Forests are the lungs of our land, purifying the air and giving fresh strength to our people."

- Environment club is established in our college with the inspiration and guidance of our esteemed Principal Sir. All the faculty members and students actively take part in the activities of the club. The purpose of the club is to create awareness of

environmental issues such as protection, conservation, preservation and restoration with the emphasis on educating and empowering students. We have a beautiful botanical garden in the college campus containing variety of plants including medicinal, flowering, herbs, shrubs etc. The club members own the responsibility of taking care of the garden. This club helps the college in planning the use of material that can be recycled to protect our environment. The activities of the club try to inculcate good habits for saving our environment. The club regularly organizes awareness programs such as seminars, debates, popular talks on environmental issues and plantation, etc.

ROVERS & RANGERS UNIT

"A Scout is never taken by surprise; he knows exactly what to do when anything unexpected happens."

- Rovers are the senior wing of Scouts and Guides of India. Rovers are provided various types of training related to personality development like leadership, discipline, social service, disaster management program, civil defense and environment conservation etc. through camps at District, State and National level. There are 47 Rovers registered in our college. 22 Rovers received 'Rajya Puraskar 2021-22' and 15 Rovers received 'Nipun Puraskar 2021-22'. All the Rovers actively participated in the training camps organized throughout the year in the session 2021 -2022.

- From this session we started one unit of Rangers in which 24 girls were registered for the Scouts and Guides of India. 10 Rangers received Nipun puruskar and attended a 5 day camp at Banipark headquarter Jaipur.
- A Certificate of Appreciation is awarded to the college unit by The Bharat Scouts and Guides for rendering commendable services like: sanitization, distribution of masks and making people aware about it in this tough time of COVID-19

NSS Unit

"Service to others is the rent you pay for your room here on earth."

- The NSS unit of the college provides a platform to the students for community work and develops a sense of involvement in the task of nation building. NSS volunteers work to ensure that the needy get help to rise their standard of living. A variety of activities are organized every year to channelize the energy and idealism of the younger generation into creative pursuits.
- A 7 day special camp was organized under NSS. In this camp many dignitaries in their field were invited to take special lectures about public service, government schemes, motivation, leadership and health. Notable speakers were Dr Snigdha Sharma district coordinator NSS and Principal Rajasthan Sangeet Sansthan , Akash Sharma and Vikram Singh Raghav, Technical Advisor in continuous development. On valedictory session, the Chief Guest Mr. Banay Singh , Rajasthan State NSS Coordinator, addressed the NSS volunteers and encouraged them for social services.
- Various kinds of social activities like plantation, cleanliness drive, and covid 19 vaccination was also done for the beneficiaries.

Discipline Regulation Committee

"There is no magic wand that can resolve our problems. The solution rests with our work and discipline."

- Discipline is the practice of training student to obey rules and behave well. The main objective is to inculcate the habit of scholarly reasoning, promote ethical standards, moral values and excellence in academic standard besides maintaining social harmony in the campus. Student shall take proper care of college furniture and must not cause any damage to college property. Our administration is very strict and empowered to deal with any such activity which comes under indiscipline.

ANTI RAGGING CELL

"Break the ice, but not through ragging."

- As per the order of Supreme Court of India and subsequent notification from University Grant Commission (UGC), ragging is malignant form of interaction where in the newcomers may be subjected to psychological or physical torture. The college has an anti ragging cell to preserve the dignity of students. To curb instances of ragging the anti ragging squad keeps inspecting the campus through active surveillance system. We have zero tolerance regarding ragging. The members of anti ragging cell are:

- Dr. Arvind Chaudhary (9414770762)
- Mr Dharmendra Kumar Verma (9461444497)
- Dr. Nidhi Jain(8005585697)
